MEMORANDUM

TO: All FINA MEMBER FEDERATIONS

FROM: FINA, Lausanne

DATE: June 13, 2019

**RE: FINA World Championships and FINA World Masters
Championships Gwangju 2019
Measles Vaccinations**

Dear Madam, Dear Sir,

We have received a notice from the Medical Department of the organising committee of the FINA World Championships Gwangju 2019 following a meeting with the Korea Center for Disease Control and Prevention.

Based on the information received, the FINA Sports Medicine Committee strongly recommends to all participants of the FINA World Championships and FINA World Masters Championships Gwangju 2019 to be certain of their immunity or to receive 2 measles vaccines (MMR measles-mumps-rubella) before their arrival in the Republic of Korea and participation in the event.

In general, it is advised that your routine vaccines, as per your country, are up-to-date.

Sincerely,

Cornel Marculescu
Executive Director
